

LHF433-RS Radio Receiver, BATICONNECT CLOUD

T N° 12010A

**LHF433-RS is part of a larger
NACD access control network.**

Connects directly to an IPGUARD panel (D2 bus), or to an EVE196-X3-RS control unit (D2 bus) on the network. The LHF433-RS is just another device on the GSM modem to BATICONNECT CLOUD.
