GSM DIAL OUT

Might be able to keep going for a short while after 2025 but the clock is ticking.

Still can't reach you via your WiFi connection because not IP!

Are not easy to program because you need to send text messages. They are not interactive.

Not designed for CLOUD Portal Programming (**it did not exist**) so check carefully any claims!

TVTEL / TELGUARD & ALL ANALOGUE TELEPHONE DOOR ENTRY CANNOT USE THE SMART TECHNOLOGY ON A SMART PHONE, iPAD, TABLET!

MULTI RELAYS CONTROLS

Open the door or vehicle gate.
Speak handsfree or privately.

HISTORY OF ALL YOUR VISITORS WITH IMAGE MEMORY

Find the history of all your visits with status (access authorized, missed call, ...) and the photo of your visitors. Very handy to know who rang home in the event of a missed call.

DO NOT DISTURB

Disable visitor calls so as not to be disturbed during the night, your meetings or during other activities. Plan ahead for times when the "DO NOT DISTURB" function will be activated. You will be informed after the fact, as calls from your visitors are stored in your call history.
