ANTI CLONE
GUARANTEE

All BATICONNECT® CLOUD proximity readers are remotely programmable.

The BATICONNECT® CLOUD platform provides:

1. Automatic on-going system data back-up.

2. Client access 24/7/365 for remote programming of telephone numbers, **proximity keyfobs**, radio transmitters, keypads, digital displays, trades, and IPKEYSAFE™ (secure key storage) on all controlled doors and vehicle entrances.

3. Audit trail and data retrieval of all system usage.

4. No software required.
