

**LHF433/868 Radio Receiver, BATICONNECT CLOUD**

T N° 12010A

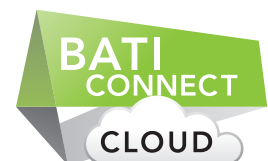

**LHF433/868 is part of a larger NACD access control network.**

Connects directly to an IPGUARD panel (D2 bus), or to an EVE196-X3-RS control unit (D2 bus) on the network. The LHF433/868 is just another device on the GSM modem to BATICONNECT CLOUD.

**CABLING**
